What is AnnualCreditReport.com?
AnnualCreditReport.com is the ONLY authorized source for the free annual credit report that's yours by law. The Fair Credit Reporting Act guarantees you access to your credit report for free from each of the three nationwide credit reporting companies — Experian, Equifax, and TransUnion — every 12 months. The Federal Trade Commission has received complaints from consumers who thought they were ordering their free annual credit report, and yet couldn't get it without paying fees or buying other services. TV ads, email offers, or online search results may tout "free" credit reports, but there is only one authorized source for a truly free credit report.
